-------------------------------	------

Temperatures over 70°C requires an approved Temperature Limiting Valve must be fitted.

WARRANTY

This product is covered by the Greens 10 Year Warranty.

NEW ZEALAND WARRANTY

Where Greens Tapware and showers are purchased for use in domestic residential installations, the purchaser or end user may have recourse or remedy under any relevant consumer protection legislation. In addition, Greens undertakes to either repair or replace (at Greens discretion) the tapware or shower fitting, if it is discovered that such tapware or shower contains a material defect which arose in the course of manufacture.

The Greens product warranty is applicable only on items purchased and installed in the country where the original purchase was made.

The warranties are indicated for each item on the instructions in each box:

10 Year Warranty

Full parts and labour charges for ONE year, then cartridge part only for NINE more years.

This applies to:

- Single Lever Mixers
- Bathroom Style Collection ¼ turn Tapware

NOTE: Spout seals, O-rings, aerators, kitchen pull-out/pull-down hand pieces and hoses have a ONE year warranty.

5 Year Warranty

Full parts and labour charges for ONE year, then cartridge part only for FOUR more years.

This applies to:

- Single Lever Mixers

NOTE: Spout seals, O-rings, aerators, kitchen pull-out/pull-down hand pieces and hoses have a ONE year warranty.

1 Year Warranty.

This applies to:

- Slide showers, Shower Roses, Bath Spouts and Bathroom Accessories – PARTS ONLY
- Conventional Taps – Glacier and Marketti Project
- Bathroom Accessories – PARTS ONLY
- Applause Hang 'n' Sell Range - PARTS ONLY
- All spare parts - PARTS ONLY

Commercial installations of all ranges

This applies to hotels, motels, rest homes, hospitals, offices and all other commercial installations.

For such installations, a **1 Year warranty** will apply, with taps and showers warranted to be free from defects in materials and workmanship for ONE year from date of purchase.

Conditions of warranty:

If the following conditions are not met, the warranty will be deemed null and void.

1. Proof of purchase (invoice or receipt) is to be provided.
2. Greens installation instructions must be followed.
3. Temperature and pressure limits within the installation instructions must apply.
4. The product has not been tampered with or repaired in any way.
5. The product has not been damaged by misuse, accident, or neglect.
6. The product does not contain excessive debris.
7. Use of improper cleaning products, including cream cleaners and cleaners containing corrosive acids, scouring agents or solvent cleaners
8. All repair work is to be pre-approved by Greens, and undertaken by its authorised service agent.
9. Other conditions may apply depending on the nature of the installation.

Greens shall in no way be liable to the purchaser or end user of Greens Tapware or showers for any loss, damage (direct, indirect or consequential), cost or expense suffered or incurred by that person other than as provided in the above provisions, under any relevant consumer protection legislation or as consented to by Greens in writing in advance.

Please always check the printed date on this warranty. The most up to date warranty is always on our website <http://www.greenstapware.com/warranty-guide>

COMPLIANCE WITH NZ BUILDING CODE

This product is covered by the New Zealand Building Code clauses:

- B2 Durability
- G12 Water Supplies

INSTALLATION

Installation is to be in accordance with Greens installation instructions as provided with every product.

PRODUCT CARE & MAINTENANCE REQUIREMENTS

Maintenance of the finish of your tapware is important. Here are a few simple tips to follow:

Chrome Finish

Chrome plated surfaces should be cleaned with a soft damp cloth using water with liquid detergent or soap, then wiped dry to avoid water spots.

Do not use cleaning agents containing a corrosive acid or scouring agent, as well as cream cleaners (they are abrasive), as they may damage the surface which can void your warranty.

clean by applying a 50/50 solution of water and white vinegar, spray with fresh water and then wipe dry.

QUALITY ASSURANCE

Greens is an ISO 9001 accredited company – adopting Quality Management Systems and has been audited, based on an extensive sample of its sites, functions, products, services and processes. Greens products meet international quality standards including the Australian and New Zealand standard mark. This is your guarantee that they comply with Building Code requirements including the use of DR brass and non-toxic materials for healthy and safe drinking water.
